The background of the slide is a blurred photograph of a professional meeting. In the foreground, the back of a man's head and shoulders in a dark suit is visible. In the middle ground, a man in a light-colored suit is looking towards the right. The scene is set in a well-lit office or conference room. A semi-transparent pink rectangular box is overlaid on the center of the image, containing white text. In the top left corner of the image, there is a white rectangular box containing the word 'ABOUT' in bold black letters, preceded by a small blue and white geometric logo.

ABOUT

At PMBA, we are committed to excellence, continuous improvement, innovation and industry relevance. We constantly evaluate and update our programs to address emerging trends, technological advancements, and evolving industry demands.

We leverage the latest learning technologies and methodologies to deliver flexible, interactive and engaging educational experiences. We also combine theory with hands-on experience, providing our students and mentees with practical knowledge that can be applied in real-world scenarios.

VISION

We at PMBA Education aspire to be a beacon of change in the BIPOC community. And the way we are choosing to foster change is through equipping individuals with previous professional background or new grads looking to get into the project management, product management and business analysis space with the right tools, knowledge, and resources.

MISSION

At PMBA Education, our mission is to empower individuals from the BIPOC community with the knowledge and skills required to excel in project management, product management and business analysis. We are committed to providing accessible, high-quality training and resources that enable our participants to become their own success story.

Our unwavering commitment is to empower and inspire individuals and communities alike, fostering a global network of capable leaders and driving positive social change.

A woman with dark hair, wearing a pink long-sleeved shirt, is sitting at a desk. She is looking down and writing in an open notebook with a pencil. To her right is a silver laptop. In the foreground, a pair of black-rimmed glasses lies on the desk. To her left is a white desk lamp. The background is a blurred office or study area with a white chair and a small potted plant on a shelf.

Our mission statement encompasses 3 core principles:

EDUCATION & TRAINING

We are dedicated to delivering comprehensive project management and business analysis education and training programs that are practical, relevant and aligned with industry standards. Our mission is to equip individuals with the tools they need to successfully lead and contribute to projects and work environment of all sizes.

INCLUSIVITY & ACCESSIBILITY

We believe that project management and business analysis is a skill that should be accessible to all.

Our mission includes actively promoting diversity and inclusivity by removing barriers to entry and fostering an environment where everyone feels welcome, respected, and valued.

COMMUNITY BUILDING

We aim to create a supportive and collaborative community of project management and business analysis professionals.

Our mission is to provide opportunities for networking, mentorship and knowledge-sharing among our participants, fostering lasting connections and partnerships.

A woman with dark hair tied back is shown in profile, looking at a computer monitor. She is wearing a light-colored top. The background is a bright office space with large windows. The monitor displays some text, including "Identity your topic".

PROGRAMS

In today's dynamic business environment, adaptability has become a necessity. Our programs emphasize practical methodologies and techniques that enable professionals to respond effectively to changing requirements, emerging technologies, and evolving market conditions.

A woman with dark hair and glasses is looking intently at a computer monitor. She is wearing a blue sweater. In the background, another person wearing a green shirt is partially visible. The scene is set in a modern office environment with blurred background elements.

Our training courses provide participants with the comprehensive knowledge and skills required to excel in business analysis product management and project management practice. Participants also gain a deep understanding of industry best practices and frameworks, enabling them to lead and deliver successful projects while driving organizational growth.

Our mentorship program aims to provide mentees with professional guidance and support, to accelerate their professional growth. Participants will have access to a network of experienced business professionals and industry experts ready to help them improve their decision-making skills and enhance their overall professional capabilities.
